

**STUDENTS' CORNER**

**My Brain Took a Holiday**

I went to school, all neat and dressed,  
prepared to write my science test.  
But when I sat, my mind went blank –  
It must have swum off, like a prank !

I started at Question one so long,  
It started singing me a song,  
My pencil danced across the page,  
It wrote a poem! (I felt my age...)

The teacher frowned, "What's this, a rhyme?"  
I said, "My brain's on leave this time."  
She sighed and said, "Please take a rest,"  
"You've turned your test into a fest!"

So now I sit and gently pray,  
that brains don't take off every day!

- Honisha VIII A

**Save the Tiger**

Let them live longer,  
They are the fighter,  
They are the warrior.

The brave,  
The strong,  
The tiger.

The one and only  
pride of our nation  
... tigerrrr

The myth,  
The legend,  
The tiger.

Plz don'ta kill them,  
Let them live longer,  
They are only 3000,  
Save the tiger.

Let them lead a life like us,  
Plz don'ta kill them,  
They are also living,  
So don'ta kill them  
Cus cus  
Save the tiger,

Let them live longer,  
They are the fighter,  
They are the warriorrrrr.

- Chiranth G, VII A

**ಮೊಲ ಮತ್ತು ಅಳಿಲು**

ಒಂದು ಕಾದಿವಳಿ. ಒಂದು ಮೊಲ ಮತ್ತು ಅಳಿಲು ವಾಣಿಜ್ಯದವು. ಅವರು ಒಳ್ಳೆಯ ಗೆಳೆಯರಾಗಿದ್ದರು. ಒಂದು ದಿನ ಸರಿ ಮತ್ತು ತೋಳ ಅವರ ಮನೆಗೆ ಬಂದವು. "ನಾವು ನಿಮ್ಮನ್ನು ತಿನ್ನುತ್ತೇವೆ" ಎಂದಿತು. ಆಗ ಮೊಲ ಮತ್ತು ಅಳಿಲು ಒಂದು ಉಪಾಯ ಮಾಡಿದವು. ಆಗ ಮೊಲ "ನೀನು ದೊಡ್ಡದಾಗಿರುವೆ ಆದರೆ, ನಾನು ಚಿಕ್ಕದಾಗಿರುವೆ ನೀನು ನನ್ನನ್ನು ತಿಂದರೆ ನಿನ್ನ ಹೊಟ್ಟೆ ತುಂಬುವುದಿಲ್ಲ ಆದರೆ, ನಾನು ಹೊಟ್ಟೆ ತುಂಬಾ ತಿಂದು ಬರುವೆ" ಎಂದಿತು. ಅದಕ್ಕೆ ಸರಿ ಒಪ್ಪಿತು. ಆದರೆ ಮೇಲೆ ಅಳಿಲು "ನಾನು ದೊಡ್ಡದಾಗಿರುವೆ, ನೀನು ಚಿಕ್ಕದಾಗಿರುವೆ ನೀನು ನನ್ನನ್ನು ತಿಂದರೆ ನಿನ್ನ ಹೊಟ್ಟೆ ಹೊಡೆದು ಹೋಗುತ್ತದೆ. ಆದರೆ ನಾನು ನನ್ನ ತೂಕವನ್ನು ಇಳಿಸಿ ಬರುವೆ" ಎಂದಿತು. ಹೀಗೆ ಮೊಲ ಮತ್ತು ಅಳಿಲು ಸರಿ ಮತ್ತು ತೋಳದಿಂದ ಪಾರಾದರು.

ವಿಡೀ: "ಉಪಾಯ ಬಲ್ಲವನಿಗೆ ಅಪಾಯವಿಲ್ಲ."

**Say Hi to AI**

Look at the future and it is only your imagination that can limit the possibilities. Whichever field you can think of, technology would have already made deep inroads.

We at MEC Institutions, take pride in enabling learning for the future for all our students. Our vision is to create personalized learning through effective use of technology.

Talking of technology, let us look at the biggest innovation in our midst right here, right now ...

**Artificial Intelligence**

Artificial Intelligence, or AI, is a smart technology that helps machines think and learn like humans. It's already part of our daily lives—when you use Google Maps, watch videos recommended by YouTube, or talk to Siri or Alexa, you're using AI.

**What Is AI?**

AI means computers or apps can do things that usually need human thinking. For example, AI can:

- Understand speech (like voice assistants)
- Recognize faces in photos
- Suggest videos or songs you might like
- Help doctors find diseases

It's like giving brains to machines so they can help us do things faster and better.

**Why Should Students Care?**

AI is becoming more important every day. In the future, almost every job will use AI in some way. Here are some simple examples:

- A teacher can use AI to find the best way to teach each student.
- A doctor can use AI to check X-rays and find problems quickly.
- An artist can use AI to create music or design cool pictures.
- A farmer can use AI to know when to water crops or protect them from bugs.

Learning about AI now will help you be ready for the future.

**What's Next for AI?**

In the coming years, AI will become even smarter. It might help solve big problems like pollution, traffic jams, and health issues. We may see more self-driving cars, robots that help at home, and smart cities that save energy.

But we also need to be careful. AI should be fair and safe. It should not make decisions that hurt people or take away jobs unfairly. That's why students should learn not just how to use AI, but how to think about it wisely.

**How Can You Start Learning?**

You don't need to be a computer expert to learn about AI. Here are some fun ways to begin:

- Watch videos that explain AI in fun ways.
- Ask questions and explore how things work.

AI is a powerful tool, but it's up to us to use it well. As students, you have the chance to shape the future. And that journey starts with you.

### Principal's Desk

In today's fast-paced world, children need more than academics — they need emotional strength and self-belief. Emotional stability helps them manage stress and adapt to change, while self-confidence empowers them to trust their abilities and face challenges bravely.

Parents and educators can nurture these qualities by offering encouragement, celebrating efforts, listening with empathy, and creating a safe space for expression. Small practices like mindfulness, positive affirmations, and valuing mistakes as learning steps make a big difference.

Confident and emotionally balanced children grow into resilient individuals, ready to thrive in life's journey.

### Teachers' Enrichment Programme

May 14-25

The Teachers' Enrichment Programme was conducted during May 14-25 with the objective of enhancing teaching skills and ensuring the smooth functioning and overall well-being of students. The programme covered a wide range of topics, focusing on innovative teaching methodologies, classroom management, student engagement, and strategies for nurturing holistic development.

It reinforced their role as mentors and guides in shaping young minds. It served as a platform for reflection, exchange of ideas, and collective growth, thereby ensuring that the teaching-learning process remains dynamic, student-centered, and future-ready.

Hon Secretary Dr. Vidya C, Director Operations Dr. S K Tripathi, Director Academics Dr. H S Ganesh Bhatta and resource persons shared valuable insights on effective pedagogy, mental health awareness, and the importance of fostering a positive and inclusive learning environment. Teachers actively participated in interactive sessions, group discussions, and hands-on activities that encouraged collaboration and professional growth.

Such initiatives highlight the school's commitment to continuous professional development, ensuring that teachers remain empowered to bring out the best in every child.

### Reopening Day

29 May

The new academic year began with great excitement as the school celebrated Reopening Day with warmth and enthusiasm. The day started with a special assembly conducted by the teachers.

Director Operations, Dr. S. K. Tripathi extended a heartfelt welcome to all students and wished them success, growth, and happiness in the year ahead.

To make the day memorable, a series of fun-filled activities were organized for the students throughout the day, creating an atmosphere of joy, laughter, and togetherness. The reopening day not only marked the beginning of a new academic journey but also celebrated the spirit of unity, learning, and fresh beginnings.

### SPLENDID

#### Students Shine in Olympiad, Win Cash Prizes!

Our students took up the Indian Talent Olympiad Examination in the Academic Year 2024-25 and 4 students bagged cash prizes, state ranks, excellence awards and class toppers in various subjects.

CBSE Cluster VIII State Level Kho-Kho Tournament was conducted at RACE Concept School, Raichur in the month of August 2025. In the Under-14 girls category, the students of MEC Public school won the Runner-up Trophy and brought laurels to the school.

The interschool competition was held at Daffodils Foundation for Learning School, Sanjaynagar Bengaluru in the month of July 2025.

Our school students participated in Football, Chess and Kho-Kho. The girls in the Under-14 category bagged Winners Trophy and boys in the Under-15 category won Runner-up Trophy in Kho-Kho.

In chess, Neerav Harish Kumar and Rakshana of Grade VIII won 10th Rank. They were awarded with medal and certificate.

Our school has always given great importance to Martial Arts as a way to build discipline, strength and confidence in students. We are delighted to share the proud achievement of our talented student Disun Das of Grade X, who has been awarded the prestigious Black Belt in Karate. His success is a shining inspiration for all our learners to pursue their passions with determination.

## CELEBRATIONS

### World Environment Day:

**Our Responsibility towards Nature 5 June**

World Environment Day was celebrated on 5th June in our school. It is a special day dedicated to creating awareness about the importance of protecting our environment and encouraging people to take action for a healthier planet.

The theme for this year was "Beat Plastic Pollution." The students presented an inspiring and thought-provoking skit based on the theme.

The skit left a lasting message: "Protect the Earth, Beat Plastic Pollution!" It reminded all of us that each one of us has the power to make a difference.

### Inauguration of Clubs

**6 June**

The inauguration of various clubs for the academic year was held with great enthusiasm and fervour. The event began with representatives from each club coming forward to brief the audience about the significance of their respective clubs and the wide range of activities planned for the year. Their presentations highlighted how these clubs would provide a platform for students to explore their talents, develop skills, and nurture creativity beyond the classroom. The clubs that were officially inaugurated include:

- Humanity club
- Literary club
- Sadbhavana club
- Science and ECO club.
- Mathematics club
- Techno club
- Fine Arts club
- Sports club

The occasion was graced by Dr. S. K. Tripathi, Director Operations, who emphasized the importance of co-curricular and extracurricular activities in shaping well-rounded personalities and encouraged students to actively participate in the club initiatives.

### International Yoga and Music Day 21 June

The school celebrated International Yoga Day and World Music Day with great zeal and devotion, combining the spirit of wellness and the joy of music.

Students performed graceful asanas under the guidance of Sri Sandeep BV from 'Art of Living' who inspired them with his wisdom and calm presence. He also sang soulful bhajans, which the students happily repeated after him, filling the school atmosphere with positivity and peace.

The celebration of World Music Day added vibrance to the occasion as students showcased their talents through singing and playing musical instruments, spreading harmony through the universal language of music.

On this special day, Dr. S.K. Tripathi, Director Operations addressed the gathering and encouraged the students to practice yoga in their daily lives, highlighting its importance for physical fitness, mental clarity and emotional balance.

### Students Council Election – Empowering Young Leaders 21 June

The much-awaited Student Council Election was conducted with great enthusiasm and participation on 21st June in our school. The Student Council Election was not just about choosing leaders — it was about empowering young minds to step forward, take charge, and contribute to the growth and success of the school community.

The event gave students an opportunity to choose their representatives democratically and experience the responsibilities that come with leadership roles.

The election process began with the announcement of nominations, followed by campaigning by the candidates.

On the day of the election, our school keeping up with technological advancements recently introduced digital voting for student council elections, making the process more accessible, faster, and transparent.

Uday B and Saanvi M Rao of Grade X were elected as School Captains. Adidev B and Mahitha of Grade IX were elected as the Vice Captains.

Adithya Jain and Ananya M R of Grade X were selected as School Sports Captains and Vice Captains respectively.

## “Prathibanweshane” - Students' Talent Search Day 28 June

A wonderful event, "Prathibanweshane" the talent search was organised for the students to showcase their unique skills, creativity, and confidence. Each performance was a reflection of the hard work and passion of the students. It was amazing to see how children expressed themselves with enthusiasm and confidence.

The event created a positive environment where students learnt the importance of teamwork, self-expression, and perseverance.

Students' Talents Day was more than just a celebration — it was a reminder that every student has something special to offer. With encouragement and practice, we can all grow and achieve great things!

## Investiture Ceremony - A Celebration of Leadership & Responsibility 5 July

The Investiture Ceremony of newly elected leaders of the student council was a proud and inspiring event that took place on 5th July in Vishalakshamma Kridangana. The ceremony marked the formal appointment of student leaders who will represent the student body and work alongside teachers to uphold the values and discipline of the school.

The highlight of the ceremony was the oath-taking session. The school captain, vice captains, house captains,

and director and other student representatives took their pledge to perform their duties with sincerity and commitment.

The Investiture Ceremony was not just an event — it was a reminder that leadership is about service, perseverance, and compassion. The newly sworn-in leaders were congratulated by teachers, students, and staff, and everyone expressed confidence in their abilities to lead the

school toward excellence.

The event concluded with a vote of thanks and the school anthem, leaving everyone motivated and ready to take on the responsibilities of the academic year ahead.

## Guru Purnima 10 July

Guru Purnima, a day dedicated to honour and express gratitude to gurus, was celebrated with great devotion and enthusiasm on 10th July as part of an assembly activity.

Rohith Gejjuri from Grade 10, shared the significance of the day, highlighting the

importance of a guru in a student's life. Abhigna of Grade 3 offered a soulful rendition of the Guru Paduka Stotra, and the students of Grade 10 chanted the Guru Ashtaka, invoking blessings and paying respects to all the guiding lights in their lives.

The event was graced by Shri Guruji Sandeep, who inspired the students by teaching a few bhajans and elaborating on the role and presence of a guru in one's spiritual and persona.

## Founders' Day 12 July

Founders' Day was celebrated with great enthusiasm and reverence, paying tribute to the visionary, whose dream gave birth to our institution. The day marked the birth anniversary of Late Smt. Vishalakshamma and Sri N Chandrashekar. The day was marked by a series of vibrant and meaningful events that reflected both the spirit of our founders and the talent of our students.

Our beloved Secretary, Dr. Vidya C reflected on the Founder's noble dream, immense sacrifice, and inspiring vision that shaped the institution.

The programme began with the ceremonial March Past by the students. Disciplined and graceful, it was a proud moment showcasing unity and teamwork, followed by the inauguration of the annual Sports, where the atmosphere was filled with energy and excitement. The cultural events added a colourful charm to the celebration.

One of the most touching highlights was the skit on the journey of our beloved founders, Smt. Vishalakshamma and Sri N Chandrashekar. It beautifully portrayed the struggle, determination and achievements, leaving everyone deeply inspired.

The day was a true celebration of legacy and values. It reminded us to follow the footsteps of our founders with dedication, unity and perseverance.

## 79<sup>th</sup> Independence Day 15 August

The 79th Independence Day was celebrated in MEC Public School with great zeal and solemnity, reflecting the true spirit of freedom. The day began with the hoisting of the national flag by the Secretary, Dr. Vidya C followed by the soulful rendering of the national anthem. The students showcased their impeccable discipline and patriotic spirit through a well-coordinated march past. The cultural events, colourful performances and a speech on the importance of the day added meaning and joy to the occasion.

The highlight of the programme was the kindergarten students dressed as freedom fighters, spreading innocence and charm. A mass drill showcasing discipline and a display of karate, reflecting strength and confidence, left the audience inspired. The Secretary, Dr. Vidya C, Academic Director, Dr. H S Ganesha Bhatta, and Director Operations, Dr. S K Tripathi addressed the gathering with motivational speeches, emphasized the significance of freedom and responsibility in shaping young minds. They inspired the students to uphold values and discipline, dedication and patriotism.

## Teachers' Day 5 September

On 8th September, the vibrant celebration of Teachers' Day at our school turned into a heart warming and memorable event, beautifully organised by the students of Grade X. The programme began with vibrant cultural performances, including energetic dances by the enthusiastic students that filled the place with excitement. Fun-filled games were thoughtfully arranged for the teachers, creating moments of laughter and cheer. The winners were warmly felicitated with prizes by the students, which were graciously presented by the Director Operations.

The Principal and Director Operations praised the sincere efforts of the students for hosting the event so wonderfully. The entire day was filled with warmth, gratitude and celebration, leaving teachers with a heartfelt of joy and cherished memories.

## Balvatika

### Blue Day

On 9th June, MEC Public School creatively merged the celebrations of World Ocean Day and Blue Day, bringing together students and teachers in a fun-filled learning experience.

The day began with the display of various blue-colored toys and objects. This engaging display sparked curiosity and excitement among the students. Teachers took the opportunity to educate the children about the significance of the ocean, emphasizing the importance of

sustainable practices to protect marine life.

To make the learning experience more interactive, the teachers sang ocean-themed rhymes with the children, creating a lively and immersive atmosphere. The students were then given the chance to explore the displayed items, further enhancing their understanding and appreciation of the ocean and the color blue.

### Father's Day

On 11th June, the Balvatika group came together to celebrate Father's Day with enthusiasm and gratitude. The event was a wonderful opportunity for children to express their appreciation for their fathers' love, support, and sacrifices.

During the celebration, teachers took the time to explain the importance of fathers and the role they play in shaping their children's lives. The children then shared their feelings and thoughts about their fathers, discussing what they enjoy doing together and how their dads make them feel special.

One of the highlights of the event was a creative activity where teachers guided the children in making heartfelt greeting cards for their fathers. This hands-on activity allowed the children to express their creativity while showing appreciation for their fathers.

## Green Day & Vanamahotsava

On 4th July, our school joyously merged the celebrations of Vanamahotsava and Green Day. The event was a vibrant tribute to nature, emphasizing the significance of greenery in our lives.

The day began with an engaging display of green items, including saplings, plants, vegetables, fruits, and toys. This exhibit sparked curiosity and enthusiasm among the students.

Teachers educated the children about Vanamahotsava, highlighting its importance in promoting environmental conservation. The students learned about the various shades of green and their association with nature. Fun songs about greenery and conservation were taught, making the learning experience enjoyable.

Children from Balvatika 2 and 3 actively addressed the group, sharing their understanding of Vanamahotsava and Green Day. Their participation added to the festive spirit and encouraged their peers to learn more.

### Tiger Day

On 30th July, the BALVATIKA section joyously celebrated International Tiger's Day, fostering awareness about tiger conservation and the challenges faced by these majestic creatures. The event aimed to educate students about the importance of protecting tigers and their habitats. The celebration began with an engaging assembly program, where teachers shared fascinating facts about tigers and discussed ways to contribute to their conservation. This introduction sparked curiosity and enthusiasm among the students.

The students participated in various classroom activities. These activities encouraged creativity while promoting learning about tigers.

A video about tigers was screened, providing insights into their habitat, behaviour, and conservation status. This visual learning experience enhanced the students' understanding of the importance of tiger conservation.

Through this celebration, we aimed to instill a sense of responsibility and compassion among our students

towards wildlife conservation. By educating children about conservation, we can inspire a brighter future for our planet and promote a culture of environmental stewardship.

### Yellow Day

On 31st July 31, BALVATIKA celebrated Yellow Day. The vibrant color yellow, symbolizing hope and happiness, filled the atmosphere as students and teachers came together to embrace the spirit of the day.

The Balvatika Lab was transformed into a bright and cheerful space with yellow-themed decorations, including yellow bees, fruits, and flowers. Children wore yellow costumes and showcased their confidence through a ramp walk, adding a touch of excitement to the event. A display of yellow toys and objects further enhanced the visually stimulating environment.

The celebration featured engaging activities that encouraged student participation. Children delivered speeches and sang rhymes about the colour yellow, showcasing their creativity and enthusiasm. In the classrooms, the students engaged in various creative activities under the guidance of their teachers.

The celebration concluded with a delightful surprise for the children — a mango craft distributed to each student as a takeaway. This sweet gesture added to the joy and excitement of the day, leaving a lasting impression on the young learners.
